- Dynamics 365 Customer Service Partner of the Year
- Dynamics 365 Supply Chain Management & Finance Partner of the Year
- Employee Experience Partner of the Year
- SAP on Azure Partner of the Year
- Ireland Country Partner of the Year

"We are honoured to be named 2021 Canada Partner of the Year by Microsoft," said Jeffrey Russell, president of Accenture Canada. "Accenture and Microsoft formed Avanade 20 years ago to combine the best in strategy and technology to help Canadian organizations unlock more value from Microsoft solutions. We will continue our path of collaboration, delivering world-class services and solutions to help our clients embrace change and accelerate the path to value."

André Nadeau, managing director and leader of Avanade Canada said, "We are truly gratified to be recognized by Microsoft as their 2021 Partner of the Year in Canada. This recognition is a testament to Accenture and Avanade's strategic partnership and leadership in providing successful and innovative digital transformations for our Canadian clients and helping them navigate and pivot during the pandemic. With the largest community of Microsoft skilled professionals globally, we are uniquely positioned to help businesses digitally transform through the power of the Microsoft technologies."

The Microsoft Partner of the Year Awards recognize Microsoft partners that have developed and delivered outstanding Microsoft-based solutions during the past year. Awards were classified in various categories, with honorees chosen from a set of more than 4,400 submitted nominations from more than 100 countries worldwide. Accenture and Avanade were recognized for providing outstanding transformations across industries amidst the COVID-19 pandemic, including transitioning a government agency from a paper-based system with on-site data storage to a responsive system based in the cloud; helping a financial services organization leverage the power of the public cloud; and transforming an outdated phone system for a wellness, mental health and telemedicine service provider to Microsoft 365 E5 in record time to support thousands of employees working from home.
