

## Health Team Collaboration

Improving quality of care depends on many things, including overcoming complex care environments. Using this solution, healthcare organizations can **increase the effectiveness of the quality improvement processes and coordination of treatment plans** and enable research projects. Health Team Huddle developer templates, samples built on the Microsoft Teams platform, help **drive quality and care outcomes by enabling collaboration** with more effective huddle teams.

### Communicate

Communicate patient updates in real time with priority messaging capabilities

### Collaborate

Organize, prioritize, and execute in one central hub

### Digitize

Integrate with clinical systems to provide clinicians with more efficient workflows

### Empower

Empower clinicians to give patients the best care possible

### Security

Industry specific compliance: HIPAA/HITECH, GDPR, ISO 27018, and ISO 27001 plus 1,100+ compliance controls & advanced capabilities
