Other special instructions

- If you are providing goods and services to Avanade under more than one Purchase Order, you must invoice for each separately. Only one Purchase Order can be referenced per invoice.
- The format of the invoice must match the format of the Purchase Order. The following guidelines should be observed:
  - Reference the appropriate purchase order line item number for each line item on the invoice;
  - For goods, the total for each line must represent the extended amount for that good;
  - Charge for services and expenses must be itemized on separate lines;
  - Always review the ‘comments’ section on the Purchase Order for additional processing instructions;
  - Always quote the Purchase Order number (which starts with 45XXXXXXXX).

Please do not:

- Mark the purchase order number with a highlighter as this affects the quality of our invoice scanning;
- Handwrite the Purchase Order numbers on the invoice (where possible);
- Quote the Purchase Requisition number (which starts with PRXXXXXXXX).

Submitting Invoices to Avanade

- Kindly submit your invoices within 5 business days from the invoice date.
- All invoices for Avanade should be posted to the following ‘Mailing’ address and not to your Avanade contact.

Please do not submit original invoices to the Avanade employee who requested the goods or services.
