AVANADE BELGIUM NAMED A SPECIALIZED MICROSOFT DYNAMICS PARTNER FOR THE SERVICES INDUSTRY

MERELBEKE – 16 February 2016 - [Avanade Belgium](#) is proud to announce that it has been accepted into the European Industry Partner Program (EIPP) as a 'Microsoft Dynamics Services Industries Partner.' The EIPP Program acknowledges Microsoft partners across the globe for their expertise across specific industries.

Microsoft Dynamics
Service Industries Partner

Avanade's ERP Solutions for Service Industries is built on the Microsoft Dynamics AX platform, on-premises or in the cloud, and helps clients gain a holistic view of their business; delivering predictable, high quality implementation results, faster with less cost. Our experience coupled with Microsoft's out-of-the-box functionality helps clients to reduce project risks, improve project profitability and cultivate project experiences that need to meet customer specific requirements. Avanade is Microsoft's largest delivery partner with a network of more than 70 delivery centers located in more than 20 countries; enabling it to deliver more than 150 ERP projects worldwide. The key learnings and experiences of these global projects have contributed to our success as a Microsoft Dynamics Services Industry specialist.

"With expertise and a strong understanding of the Microsoft ecosystem, Avanade Belgium helps clients define complete business solutions that work within and go beyond the boundaries of Microsoft Dynamics AX," said Christophe Vandenabeele, Avanade Belgium, business application lead. "We are delighted to be recognized for our work and are proud to be named a Microsoft Dynamics Services Industry partner."

Avanade was founded in 2000 as a joint venture between Accenture and Microsoft to help customers realize results through business technology solutions and managed services. With significant expertise across Microsoft technologies, Avanade is able to deliver leading Microsoft solutions and capitalize on market trends.

Globally, Avanade holds 23 Microsoft Gold Competencies and has one of the highest concentrations of Microsoft certified professionals in the world. With more than 24,000 Microsoft certifications held by

Avanade consultants and 1200 dedicated Dynamics AX professionals, Avanade has substantial experience in delivering Microsoft technology at scale.
