**AVANADE NAMED TO MICROSOFT DYNAMICS INNER CIRCLE AND PRESIDENT'S CLUB  
Microsoft® Honors Avanade for Outstanding Customer Commitment and Sales  
Achievement**

**Seattle — July 25, 2007—** Avanade Inc., a global IT consultancy, has been named to the Microsoft Dynamics™ Inner Circle and the Microsoft Dynamics President's Club for the third consecutive year. These honors reflect Avanade's success in extending the Microsoft Dynamics platform to drive business advantages in companies worldwide.

The Microsoft Dynamics Inner Circle recognition is awarded to companies whose sales achievement ranks them at the top echelon of the Microsoft Dynamics global network of value-added reselling partners. Membership in this elite group recognizes outstanding partners whose commitment to customers is reflected in their constant dedication to achieving high levels of customer satisfaction, their active pursuit of product and technological advancement, and in impressive sales performance. Avanade was recognized for its performance on this level in the Americas, Europe, and Asia Pacific.

The Microsoft Dynamics President's Club recognition honors Microsoft Dynamics reselling partners in the top 5 percent of partners within each region whose commitment to customers is reflected in their business performance and high level of sales achievement and customer satisfaction. Avanade was named to the President's Club both in the Americas and Malaysia.

"Microsoft congratulates Avanade on achieving these honors," said Tami Reller, corporate vice president at Microsoft. "Avanade is at the top level of the premier partner channel in the industry. We congratulate them and thank them for their commitment to Microsoft, our customers and solutions."

Avanade works closely with the product development teams at Microsoft to maintain a comprehensive understanding of the Microsoft Dynamics platform. This knowledge, combined with ongoing investments in research and development, enables Avanade to help customers leverage the full value of their enterprise-level Microsoft investments and achieve the enhanced customer service, productivity, and operational efficiency that promote growth and competitive advantage. The Avanade Enterprise CRM™ and Avanade ERP™ solutions help leading global companies across industries—including Haldex, Intermech, Jones Lang LaSalle, Sara Lee, and Wellmark—accelerate their innovation.

"We are honored to be recognized by Microsoft for our dedication and success as a Microsoft partner," said Mike Pazak, vice president of Enterprise Business Solutions at Avanade. "The strength of our relationship with Microsoft has enabled us to achieve tremendous growth by combining world-class technologies with industry best practices and Avanade's pre-integrated, engineered solutions to address both cross-industry and industry-specific needs."

**About Avanade**

Avanade is a global IT consultancy dedicated to using the Microsoft platform to help enterprises achieve profitable growth. Through proven solutions that extend Microsoft technologies, Avanade helps enterprises increase revenue, reduce costs, and reinvest in innovation to gain competitive

advantage. Avanade consultants deliver value according to each customer's requirements, timeline, and budget by combining insight, innovation, and the talent of our global workforce.
